President's Report

It is with pleasure that I am yet again able to report that the Association is operating in a very healthy financial state. We also have a great team in place to ensure that we are capable of growing active participation in tennis in the Northern suburbs. I have no hesitation in saying that the team is crucial to the ongoing success of the NSNTA.

The Association owes its continued success to the herculean efforts of Robert McDonald, Chairman of Match and Permit; Graham Sandman, our Treasurer; Cathryn Ryan, our Assistant Secretary; Maria Keys, our Vice President; Toni Cudmore, our Honorary Secretary and the members of the Match and Permit Committee: Mara Cassar, Ian Openshaw, Steve Senior and Chris Humbert. They all have demanding roles outside of tennis, but still manage to fit in many hours of toil to run our competitions and perform the associated administrative activities. Thank you for the time and effort that you put in to managing the competitions and business end of the Association.

Also, I'd like to thank Larry Pelly and Sue Malins for their continued support in the roles of Competition Co-ordinators – a demanding role that requires a substantial commitment of time and patience during the season.

Cathryn Ryan has stepped in to perform Sue Malins' old role of Assistant Secretary and has performed the duties involved admirably. She has been of great assistance to both the Chairman of Match and Permit and the management team.

The Association also thanks Gabriel Pelly of Pellysoft for his continued support to our IT systems and also to Tony Borrello for his services as the Association's Auditor.

A further word of thanks is due to Cathryn, Robert and Ian who have, on an ongoing basis, spent countless hours measuring and cataloguing the lighting levels of the member clubs. This is over and above their other activities on the Committee.

Again, the Committee expresses its appreciation of all of our member clubs which continue to support the Association by providing facilities and teams and also attending our General Meetings. The Committee looks forward to your ongoing support.

Finally I'd like to express my own gratitude, as well as that of the other Committee members, to The Chairman of Match and Permit, Robert McDonald. He has worked tirelessly for the betterment of tennis in all its forms, in our region: club, junior and night tennis. Robert is a source of inspiration to all of us on the Committee with his strong work ethic and his dedication to the continued improvement in the delivery of our sport to the people of the Northern Suburbs.

While I look forward to seeing each of you at meetings during the coming year, I am saddened to report that I will not be attending as President of the Association. I am very grateful that I have had the opportunity to work with, and form friendships with some wonderful people in my time with the NSNTA. However, work, travel and other commitments have made it impossible for me to continue in the role and do it the justice it deserves.

I wish the new Committee and President all the very best for the year to come; and am confident that the Association members will continue support them as they have in the past, as it is only through the uncompromising participation of our member clubs that the Association, and tennis as a participation sport will continue to flourish in the north western suburbs.

Match & Permit Committee Report

Over the last 12 months, participation in the Association's three competitions has remained strong. The Men's Competition continues to grow with a record 255 teams entered in the Autumn 2015 season, resulting in a record 32 grades. Participation in the Mixed competition remained steady, with 18 grades in Autumn 2015. The Mixed competition has remained either 17 or 18 grades every season since 2007. Disappointingly, the Ladies competition has decreased, with 18 grades in each of Spring 2014 and Autumn 2015, with 17 fewer teams than the 20 grades in Autumn 2014. After not entering teams for two seasons, Princes Hill ended its affiliation with the NSNTA at the end of 2014, reducing the number of affiliated clubs to 50.

It is pleasing to report that the number of team withdrawals has decreased. Only three teams withdrew in Spring 2014 and Autumn 2015 was the first season in many years where no teams were withdrawn. Thanks go to all Clubs for their efforts organising teams and ensuring teams have sufficient players throughout the season.

Over the past 12 months, Match and Permit Committee members have continued to test lights at all clubs across the Association. Generally the level of lighting is good and most courts met the 200 lux minimum requirement. The light testing has, however, revealed a few issues on certain courts. All Clubs are provided with copies of the lighting reports when courts are tested and we encourage clubs to be proactive and take action to ensure their lights meet the required standard.

As has been reported at Delegates meetings, the Association has been frustrated by a small number of players who have included inappropriate and offensive comments with match results. The Association has taken steps to discourage this practice, however, these efforts have been ineffective and some players have continued to misuse the comments box. The Committee has been forced to take the decision to alter the online results system so that comments in the comments box will not publish on the website in future seasons. This information will still be sent to Competition Coordinators, but will not be published for the benefit of players. It is regrettable we have had to take this step, but we feel it is the only option to prevent continued abuse of the system.

I would like to thank my fellow members of the Match and Permit Committee for their efforts over the past 12 months: Mara Cassar, Toni Cudmore, Chris Humbert, Ian Openshaw, Cathryn Ryan and Steve Seinor. In particular, I thank Cathryn Ryan for her great work in her first year as Assistant Secretary. Cathryn has provided invaluable support to myself as Chairman and to the Committee. I would also like to recognise the contribution of Chris Humbert, who has indicated he does not intend to stand for re-election. Chris has been a member of the Committee for two years and I thank him for his input at meetings and assisting with light testing. Although no longer on the Match and Permit Committee, I also acknowledge the efforts of Sue Malins, who was the Mens Coordinator for Autumn 2015.

I also thank the members of the Association's Executive, Peter Olney, Maria Keys and Graham Sandman, for their advice and support. Peter Olney has been President for 9 years, and has provided sage advice and leadership to me and the Association during my time on the Committee. Due to work and other commitments, Peter has indicated he will not be standing for re-election as President. On behalf of the Committee I would like to thank Peter for his significant contribution to the Association, both as President and prior to that a long serving committee member. Peter is a Life Member of the Association and although he may be leaving the committee, I hope he will continue to be involved with the Association in the future.

Finally, my thanks go to all the Club Delegates who have made my role easier by ensuring team entries are submitted on time, queries are followed up quickly and teams are well organised. I encourage all Delegates to consider becoming involved in the Match and Permit Committee and to continue to put forward ideas to improve the Association.

Treasurer's Report

This is the thirty third (33) Treasurer's Report of the North Suburban Night Tennis Association Incorporated and my sixth (6); this report covers the financial year ending 30 June 2015.

Income and Expenditure statement shows a net profit as at 30 June 2015 of \$5,862-01 compared to the previous year a net profit of \$5,071-58 due to the increase in affiliation and team entry fees.

The association will continue to absorb the GST charges.

I would recommend that:-

- Team Fees remain at \$35-00 per team for the next 12 months
- Affiliation Fees remain at \$30-00 per club for the next 12 months

I would like to take this opportunity to thank the members of the Match & Permit and Management committee's for their support and assistance they have extended to me as the association Treasurer.

Thank you.

Graham Sandman
