## **President's Report**

As with the previous year, the Association remains in a strong position both competitively and financially. This is in no small way due to the co-operation of all clubs with the Association's administration. We all hope this commitment continues into the future and to all you club delegates, thanks for your support.

Another outstanding year of service from Secretary Toni Cudmore, Assistant Secretary Cathryn Ryan, also Treasurer Graham Sandman keeping our finances in check, and Vice President Maria Keys, keeping me in check and our Tennis Victoria representative.

The Match and Permit Committee has also had an outstanding year. I am constantly amazed at the volume of work Chairman, Robert McDonald does and I just can't comprehend how he finds the time, especially with his commitment to the junior association; he also heads our lighting committee. I'm totally amazed. The Association can only pray he is happy to continue serving. To Robert's M&P committee, Ian Openshaw, Steve Senior, Cathryn Ryan, Toni Cudmore and Mara Cassar, another fine year. To competition co-ordinators Sue Malins, Ian, Steve and Mara another good effort in keeping track of players results as fair and as accurately as humanly possible.

The Association held its first annual golf day last year. Organiser Colin Akers (Tullamarine) was happy with the attendance and keen to continue the annual event. Entries for the next event close with Colin on 16th September. Thanks Colin.

Over the past 12 months a major tennis group has entered our sphere of influence, the Hume Tennis and Community Centre with 16 courts. Its impact on some of our long standing affiliated clubs is a matter of considerable debate over a variety of issues. Affiliation of the Centre was deferred at our last meeting by the Centre, pending further negotiation with Tennis Victoria, affected clubs, Hume Council, Hume Tennis Community Centre and our Association.

Finally, the workloads of officers of the Association is full on. If any delegate would like to help out and be part of the team, please don't hesitate to make your interest known.

## Match & Permit Committee Report

Over the past two seasons, participation in the Association's three competitions has remained strong.

- The Ladies competition dropped to 136 teams in Spring 2015 but returned to 145 teams in Autumn 2016.
- Participation in the Mixed competition remained steady, with 141 teams entered in the Spring 2015 season and 143 in Autumn 2016.
- The Men's Competition continues to be the largest with 249 teams entered in the Spring 2015 season and 246 in Autumn 2016.

It is pleasing to report that team withdrawals have remained low, with only three teams withdrawn in Spring 2015 and no teams withdrawn in Autumn 2016. Thanks go to all Clubs for their efforts organising teams and ensuring teams have sufficient players throughout the season.

Light testing continues to be a major activity for the Match and Permit Committee. Over the past 12 months, Committee members tested 110 courts at 20 clubs. It is pleasing that most of the courts met the 200 lux minimum requirement. Where courts fail to meet the minimum requirement, clubs are notified and given between 9 and 12 months to rectify the lighting levels.

In response to a series of issues that had been reported to the Association regarding A Grade Mens teams, the Association held a meeting with Presidents of relevant Clubs in September 2015. The discussions were productive and there was a reduction in the number of defaults and complaints in A Grade Mens in Autumn 2016. We thank the Clubs for assisting to work on these issues, and we encourage them to continue to work with their teams so problems do not recur in coming seasons.

During 2015-16, significant work was undertaken by the Committee to change the team entry process. From the Club's point of view, this involved the team entry sheets changing from Microsoft Word to Excel. As a result, player statistics and team finishing positions can be automatically imported into the team entries for grading purposes, replacing the previous manual process and saving Committee members hours of work. Thanks go to Gabriel Pelly for his assistance modifying the results database to work with the new team entry sheets.

Other improvements initiated by the Committee in the past year have included publishing a rulings document on the NSNTA website, to help teams and Club Delegates interpret the By-laws, and the launch of a Facebook page to communicate important information directly to players.

At the start of 2016, the Committee became aware of significant changes to the approved balls list published by Tennis Australia, which is adopted by the NSNTA. This included several balls commonly used by affiliated clubs being taken off the list. As many clubs had stocks of these balls, the Committee decided to permit clubs to continue to use the balls in home and away matches for the Autumn 2016 season. Clubs are reminded that from Spring 2016 onwards, these balls can no longer be used.

A perennial issue for the Match and Permit Committee is making decisions whether emergency players strengthen teams. The Committee needs to find a balance between allowing clubs to use emergency players, to enable them to field teams and prevent defaults, and penalising clubs when they use emergency players that strengthen teams. The Committee is concerned emergency players are often being used without first checking they are of the appropriate standard. The Committee has therefore decided that from next season, we will be more vigilant enforcing penalties when emergencies strengthen teams:

- Where it is clear an emergency has significantly strengthened a team, teams will be penalised with loss of games for the emergency player.
- If a team is told not to play a particular emergency player again, and the team then plays a different emergency who also strengthens the team, a second warning will not be given. Loss of games will be automatically imposed on the emergency player.
- Where an emergency player is told not to play again in a particular grade, and plays in a higher grade and again strengthens the team, a second warning will not be given. Loss of games will be automatically imposed on the emergency player.

I would like to thank my fellow members of the Match and Permit Committee for their fantastic work over the past 12 months: Mara Cassar, Toni Cudmore, Ian Openshaw, Cathryn Ryan and Steve Seinor. We had a vacancy on the Committee following the 2015 AGM, and wrote to Clubs asking for volunteers to join the Committee. We were fortunate that Russel Baldry and Rob Haines volunteered, and they have participated in Committee meetings throughout 2016. Regrettably, Rob now has other commitments so will be unable to continue next season. Russel has agreed to be the Mixed Coordinator for Spring 2016 and I thank him for agreeing to take on this role.

Particular thanks go to Cathryn Ryan for her work as Assistant Secretary. Cathryn has provided invaluable support to myself as Chairman and to the Committee preparing the fixtures and updating the By-laws and the Coordinators manual. I also acknowledge the efforts of the Competition Coordinators who spend many hours every week checking results and preparing ladders: Steve Seinor for two seasons as Ladies Coordinator; Mara Cassar for two seasons as Mixed Coordinator and Ian Openshaw and Sue Malins as Mens Coordinators. I also thank the members of the Association's Executive, Larry Pelly, Maria Keys and Graham Sandman, for their advice and support.

Finally, my thanks go to all the Club Delegates who have made my role easier by ensuring team entries are submitted on time, queries are followed up quickly and teams are well organised.

## **Treasurer's Report**

This is the thirty fifth (35) Treasurer's Report of the North Suburban Night Tennis Association Incorporated and my eighth (8); this report covers the financial year ending 30 June 2016.

Income and Expenditure statement shows a net profit as at 30 June 2016 of \$7,148-46 compared to the previous year a net profit of \$5,862-01. This is due to a decrease in expenses as there was only 1 new lap top purchase throughout the year compared to 3 in the previous year.

The Association will continue to absorb the GST charges. I recommend that:-

- Team Fees remain at \$35 per team for the next 12 months
- Affiliation Fees remain at \$30 per club for the next 12 months

The report has not yet been audited as I have been unable to visit the accountant due to time constraints. I have made an appointment for Monday 25 July 2016 and will bring a signed copy of the report to the AGM meeting

I would like to take this opportunity to thank the members of the Match & Permit and Management committees for their support and assistance they have extended to me as the Association Treasurer.

Thank you.

**Graham Sandman**  
**Honorary Treasurer**
