President's Report

I'm happy to report yet another year where the NSNTA has performed strongly and remains in a very healthy financial state. With seamless cooperation between the Management Committee and the Match and Permit Committee issues have been resolved quickly and efficiently.

As is the norm, there are a number of personnel responsible for this, most importantly the affiliated clubs for their continued involvement and interest in all three competitions. From all delegates who attend these meetings to your Club's committees, you are all responsible for the healthy and strong position of our Association. So on behalf of all the Association officials we thank you for your grass roots support.

To the Association Management Committee members of Vice President Maria Keys, Secretary Toni Cudmore, Assistant Secretary Cathryn Ryan and Treasurer Graham Sandman another successful year dealing with issues as they arise and with Graham keeping a watchful eye on the Association's finances. Most of this Committee's work is carried on behind the scenes and is just as important as the hands on and high profile nature of the Match and Permit.

The Match and Permit Committee has once again had an outstanding year and been well lead by Chairman Robert McDonald with his committee of helpers: Toni Cudmore, Cathryn Ryan, Ian Openshaw, Steve Seinor, Mara Cassar, Russel Baldry and Sue Malins. Notwithstanding the contribution of Peter and Gaye Olney on phone in results nights. Robert's committee is also entrusted with court inspections and court lighting levels which are carried out on a regular basis. So, on behalf of your clubs, I thank all members of both of the Association Committees for their work ethic and diligence in carrying out their tasks.

In conclusion, as with all prosperous organisations, there is always a need for regeneration with fresh blood, both with ideas and to replace retiring committee members. If you are able to assist please make contact with one of the Association officers.

Larry Pelly
President

Match & Permit Committee Report

This is my tenth report as Chairman of the Match and Permit Committee. Firstly, I would like to thank the club delegates and other members who voted to elect me a life member of the Association at the last Annual General meeting. I feel very privileged to be a life member, and hope to continue to positively contribute to the Association in the future.

It is pleasing that participation in the Association's three competitions has remained strong. 524 teams participated in Spring 2018 and 527 in Autumn 2019. However, there was a reduction in the number of Mixed teams and an increase in the number of Mens teams.

- The Ladies competition dropped slightly to 139 teams in Spring 2018 and increased to 142 teams in Autumn 2019.
- Participation in the Mixed competition continued to reduce, with 122 teams entered in the Spring 2018 season, rising by one to 123 in Autumn 2019.
- The Men's Competition reached an all-time high of 263 teams in the Spring 2018 season and dropped by one to 262 in Autumn 2019.

As Mickleham Memorial did not field teams in either season, they have ceased to be a member of the Association.

I wish to acknowledge the hard work of my fellow Committee members to keep the competition going. Administering a competition of this size, with over 250 matches played every week, involving over 3000 registered players is no easy task. On top of this, over 200 additional registrations are received and 1000 emergency matches are played each season. Without their efforts and dedication, participation in the competition would not be as high as it is.

I also thank all club delegates for submitting team entries on time, passing information on to teams, and chasing up additional information about players and results. Without the cooperation of club delegates, our job would be a lot harder.

In addition to the day to day work of administering the competition, the Committee has also been busy over the past 12 months working on a number of other initiatives. The Code of Conduct was updated to better deal with breaches of the Code of Conduct by spectators. Fortunately, the number of official Code of Conduct complaints remains low. Although we regularly hear of minor disagreements between teams, most of these are able to be resolved between the teams or clubs concerned without Association involvement. This is a positive sign that the standard of behaviour in the competitions is generally fairly good.

The Committee also developed a proposed new dual-lined/multi-lined courts policy, which has now been adopted by the member clubs. The policy continues the Association's general ban on multi-marked courts, but provides a process for clubs to apply for an exemption, which will be decided by a vote of clubs. I believe this is a positive outcome, leaving decisions about dual-lined/multi-lined courts to the clubs who participate in the competition.

The Association changed webhosting companies due to the unreliability of the online results system with the previous company. The transition was fairly seamless and so far the new hosting provider has proved to be much more reliable. We also made a change to the online results system so it does not accept results of 36 games to 0 games, to assist teams to enter default results correctly.

The Committee has proposed a number of changes to the By-laws to clarify areas where they were unclear or ambiguous, which have been approved by clubs. We believe it is important that the rules of the competition are clear and transparent, to provide a fair competition for all players.

The area where we continue to receive the most complaints relates to decisions about emergency players or additional registrations strengthening teams. Several years ago, the

Committee published rulings on the NSNTA website which outline the criteria we consider when making these decisions in an effort to be as transparent as possible. We don't make decisions lightly and understand clubs will be disappointed when players are knocked back. However, our primary objective is to ensure a fair competition for all players and we would not be carrying out that role effectively if we allowed players to join teams after grading without appropriate scrutiny.

The Committee also continues to spend significant time testing lights to ensure the quality of lighting meets the required standard. We remind clubs to advise the Association if they are undertaking court or lighting works at their clubs. On several occasions, we have been caught out by clubs changing surfaces without our knowledge.

Team withdrawals and defaults remain a concern for the Association. There were seven withdrawals and 139 defaults in Spring 2018 and three withdrawals and 137 defaults in Autumn 2019. We are aware of concerns that clubs have regarding the potential for this to unfairly influence ladders, particularly in close grades. The Association is considering options to encourage fewer defaults and will put these forward to clubs for discussion in the coming months.

Finally I would like to thank the other members of the Match and Permit Committee for their support over the past 12 months: Russel Baldry, Mara Cassar, Toni Cudmore, Ian Openshaw, Cathryn Ryan and Steve Seinor. Particular credit goes to Cathryn Ryan for her work as Assistant Secretary. Cathryn has provided invaluable support to me as Chairman and to the Committee by preparing the fixtures and result books and updating the By-laws. I also acknowledge the efforts of the Competition Coordinators who spend many hours every week checking results and preparing ladders: Steve Seinor for two seasons as Ladies Coordinator; Mara Cassar for two seasons as Mixed Coordinator and Ian Openshaw and Sue Malins as Mens Coordinators. I also thank the members of the Association's Executive, Larry Pelly, Maria Keys, Toni Cudmore and Graham Sandman, for their advice and assistance.

Treasurer's Report

This is the thirty eighth (38) Treasurer's Report of the North Suburban Night Tennis Association Incorporated and my eleventh (11); this report covers the financial year ending 30 June 2019.
