President's Report

I am pleased to report yet another year where our NSNTA has performed strongly and remains in a healthy financial state. To both the Management Committee members of Maria Keys, Russel Baldry, Cathryn Ryan and Treasurer Graham Sandman, and Match and Permit Members, headed by Robert McDonald, Russel Baldry, Cathryn Ryan, Ian Openshaw, Christopher Tenace, Charles Warwick and Steve Seinor. Well done to another year's activities. It would be remiss of me to not make a special mention to the tireless work and commitment that Robert McDonald makes to the tennis in the northern suburbs of Melbourne, both in our NSNTA and the NSJTA Junior Associations.

The Association also utilises the assistance offered by Life Member Sue Malins in the role of Men's Co-ordinator. The same applies to fellow Life Member Peter Olney, who with wife Gaye, handles all the end of season result phone ins, which is crucial for early notification of finals opponents and the allocation of venues. Thank you to Sue, Peter and Gaye.

I am also pleased to see the return of Parkville Tennis Club to the Association bringing the number of affiliated clubs to 52. Also newly affiliated clubs St Albans East, and Glenroy Community entering their first teams in Spring 2024.

Those of us who have been here for a while, will remember the days we enjoyed playing night tennis on courts with lighting levels in some cases between 50 and 100 lux. Those days are long gone with the introduction this year of improved court lighting levels to a minimum of 250 lux, with a degree of uniformity over the court area. There were a substantial number of clubs affected to bring this new level in force, so it was pleasing to see that our aim was achieved. In many cases with the help and co-operation of the local Councils. Our lighting level guru Ian Openshaw, has kept a constant check on lighting level standards. Thank you to clubs affected and to the local Councils who made it possible to achieve our goal.

We look forward to continuing dialogue with clubs and their delegates for the success of our Association into the future, which can be measured by growth in physical participation and financial commitment, as we look forward to 2025-26 seasons.

Larry Pelly
President

Match & Permit Committee Report

I am pleased to report on another successful 12 months for the NSNTA Match and Permit Committee.

Participation in the three competitions remains strong, with Ladies, Mixed and Mens team numbers all increasing. At the February 2025 meeting Parkville Tennis Club had its application for affiliation approved, rejoining the Association after a brief absence. This brings the Association's membership to 52 clubs.

I would like to thank our Competition Coordinators who ensure everything runs smoothly week to week: processing results, updating ladders, monitoring emergency players, assessing additional registrations and dealing with a range of other issues. For Spring 2024 the coordinators were Steve Seinor, Charles Warwick and Ian Openshaw and for Autumn 2025 Steve Seinor, Charles Warwick and Sue Malins.

Spring 2024 was the first season where the Association did not provide match result books. Instead, clubs are required to print and provide their own match result sheets for home teams. This change has been fairly seamless and saved the Association over \$8,000 per year, allowing us to reduce team entry fees. There have been a few instances where teams have been unable to provide a match result sheet on request. We have been generous for the first 12 months and not fined teams under By-law 47(g), but remind all clubs both teams may be fined if they cannot provide a match result sheet when requested by a Competition Coordinator.

The last 12 months has also been busy preparing for the implementation of the new NSNTA Court lighting policy. The new policy takes effect on 1 July 2025 and brings the NSNTA's required lux levels closer to the Tennis Australia guidelines. We have been pleased to see many clubs make improvements to their court lighting and the cooperation of many local councils who have supported their clubs do this. I would particularly like to thank Ian Openshaw, who has once again tested over 100 courts to ensure lighting levels are meeting the required standards.

We continue to update our Committee rulings document, which is published on the NSNTA website and clarifies the interpretation of some By-laws. The latest changes clarify finals qualification, what happens if lights go out during a match and a set or match cannot be completed and the factors Coordinators consider when assessing emergency players. We have also added a page to the NSNTA website under "Rulings" with a link to the Tennis Australia Extreme Weather policy and some guidance around extreme heat.

I thank the other members of the Match and Permit Committee for their work and support over the past year: Russel Baldry, Ian Openshaw, Cathryn Ryan, Steve Seinor, Christopher Tenace and Charles Warwick. My thanks also go to the members of the Association's Executive, Larry Pelly, Maria Keys and Graham Sandman, for their advice and assistance.

Robert McDonald
Chairman - Match & Permit Committee

Treasurer's Report

I am pleased to present the Treasurer's report for the year ended 30 June 2025.

The Income and Expenditure statement shows a net gain of \$2,807.01 for the year ending 30 June 2025, compared to a net loss of \$2,367.67 the previous year.

Expenses Breakdown:

The total expenses for the year ending 30 June 2025 were impacted by several factors:

Savings from discontinuation of result books:

- The discontinuation of result books resulted in savings of approximately \$8,115. However, the total expenses only reduced by \$5,638 due to other factors.

Purchase of New Laptops:

- New laptops were purchased at a cost of \$3,125.

Increased computer maintenance costs:

- **Internet Provider Costs:** The need for a larger database led to an increase in internet provider costs, amounting to \$1,285.
- **Fees to Gabriel Pelly (Pellysoft Pty Ltd):** Fees totalling \$1,455 were paid to Gabriel Pelly (Pellysoft Pty Ltd) for the previous year and the current financial year. Additionally, a missed fee dating back a few years was included in this total. The oversight that led to the missed fee has been addressed to prevent future occurrences

It is my opinion that the savings from the discontinuation of result books will be more evident this financial year, as the financial year ending 2024/25 had the \$35 team fees for the Spring season and \$30 team fees for the Autumn season. These savings are expected to contribute significantly to reducing overall expenses.

The Association will continue to cover the GST charges.

I would recommend that: -
